

Driver & Home Town: #22 Steve Stanford, Redditch, Worcs.

Sponsors: One Stop Site Services, Page Motorsport, Juli's Driving School

Car: brand new Mustang body, SS Motorsport 1250 engine. Will be making occasional 2023 outings in this AND the Late Model #22, also on the stand!

Biggest Achievements / 2022 Award(s): Former 3 x Championship winner, 4 x Southern Championship Winner, 4 x Midlands Championship winner, currently the most successful driver in the series as well as the second longest serving driver until 2022 when Steve retired from full time competition due to ongoing illness and two grandchildren running in the Junior Class alongside his fiancée Juli in the Senior #11.

What Got You Into American Cup Cars? As former Grassers and Oval racers we somehow became the owners of the series and with the help of the drivers made the sport the way we always envisioned: affordable, family orientated sport with close fast non-contact racing where driver ability (not cheque book) counts for everything, A series where all drivers have the same equipment and equal chance of winning not only races, but championships. But most of all fun to be part of!
