What Got You Into American Cup Cars? Been racing for 20+ years almost exclusively on circuits, from sports cars to saloons, from Ginettas to MGs to Subarus to endurance KAs!!

Knew of ACCR from watching at race meetings, looks great fun and close hard fought racing. I'm now looking forward to working hard, learning, making some great friends and my maiden win!!

Shout Out To: my girlfriend Charlotte for her unwavering support, my great friend Nathan and his son Lewis (my number one fan!) and Rob Collard of Pure D-Zine for the subtle livery ;)
