Favourite Circuit: Aldershot

Biggest Achievements / 2022 Award(s): British Champion; Apex Southern Champion; Sitr Midlands Champion; Top Rookie Points Champion; 14 race wins

What Got You Into American Cup Cars? I've 5 years racing experience including red grade in BriSCA Micro F2s. I first saw the Cup Cars at Birmingham and was hooked. They looked just like tiny NASCARs. I spoke to a few of the other children and they were so friendly and welcoming. Most of all they looked super fast and safe.
