

**Driver & Home Town:** #24 Adam Slater, Melton Mowbray

**Sponsors:** Lincolnshire Corvette, East Midlands Mobility, Cafe Allez!.  
(And the wife, Libby!)

**Favourite Circuit:** Skegness. The improvements over the years have been amazing and no matter what formula I've raced there, I always seem to go well!

**Biggest Achievements / 2022 Award(s):** Winning the Nick Spicer memorial race 2022. 2022 Scottish Champion. Joint Rookie points champion 2019 and semi-pro champion 2019.

**What Got You Into American Cup Cars?** Nick and Trina Spicer booked me in for a test session after Nick moved to the formula and I was still racing Rebels.

**Shout Out To:** Libby my wife, without her we couldn't go racing. Paul and Helen Allen who have been amazing. Without them the boys wouldn't be racing this year as my racing would be limited.
